Subject: Docket T005-0031

Robert and Mike,

I have read the complaint and the only named party is CSX Transportation Company. Could you please provide me with information as to why the Illinois Department of Transportation is a named Respondent in this case and the Department's role in resolving this complaint. IDOT is not mentioned anywhere in the complaint and has only been added by ICC staff as a Respondent. If the naming of the Department in the caption of this complaint is an error, could you please remove IDOT from the caption and from the service list.

Thank you for your attention to this matter

Tom
